

Our experts: there for you around the clock

The multi-brand service from Schulthess impresses with

- **uncomplicated and always accessible customer centres:** Rapid assistance in German, French and Italian in the event of malfunctions. We are very close to you: Zurich, Bern, Vaud and Ticino.
- **24-hour service:** guaranteed by our comprehensive and dense service network.
- **well-trained service technicians:** our success rate is impressive – 92 percent of malfunctions are dealt with at the first appointment.
- **fast spare parts procurement:** our central spare parts warehouse in Wolfhausen ensures this – even overnight if necessary.
- **machine check for a long service life:** nothing escapes our service technicians.
- **predictable costs:** no problem with our service contract.

What you get with our service:

You can reach the Schulthess multibrand service at **0844 888 222** or **www.schulthess.ch/kundenservice**.

The Schulthess multi-brand service: your professional for all cases

Schulthess Service cleans, checks and repairs – even machines from other manufacturers. Professional, efficient and reliable, our service technicians ensure that your equipment will last longer. This is good for the machines and the environment – and also your wallet.

Passionate service: for all brands

Clean-Service – brings cleanliness to a new level

With professional descaling, cleaning and disinfection, our service technicians help your washing machines and dryers to achieve hygienic cleanliness, fresher laundry and lower energy consumption. In addition to removing germs and lint, the certified professionals also check machine settings and wear parts. For an even longer service life for your equipment.

Handover service – for an impeccable condition of your equipment

To ensure that your equipment is in absolutely perfect condition when you change tenants, our service technicians carry out a comprehensive inspection of your machines. Whether electronics, seals, washing nozzles or drum – everything is carefully checked, descaled and disinfected. For a perfect result, defective wearing parts are of course replaced immediately. You and the new tenants will be delighted!

Transparent offers – for profitable management

If a repair is no longer possible or practical, we will show you with a transparent quotation how to optimise costs and maintain or even increase the value of your machines. Your wishes and goals are our number one priority.

Tailor-made service contracts – for trouble-free operation

Well-tended and well-maintained washing machines and dryers pay off. Our service technicians carry out annual maintenance, functional checks and safety inspections of your appliances. A small effort with a big return.
