

sneakerCare

So that your sneakers keep you company for a long time

sneakerCare from Schulthess.

Trainers keep us company through life

They are stuck to children's feet hopping through puddles, help them to sporty flights of fancy, dance to the rhythms of their favourite band and lend a special nonchalance to business outfits. The Schulthess "Sportswear" programme makes sure your sneakers are beautiful and well-groomed again in no time. This special programme washes sneakers gently and hygienically clean. That way they give you joy for a long time.

Schulthess dryer for sophisticated sneaker care

Drying trainers in the dryer? Yes! Because with the drying basket and the right drying programme, you dry your sneakers extremely gently.

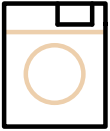

True beauty comes from within.

Clear language of form, purist design and innovative technology

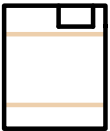

The unmistakable purist design of Schulthess machines is convincing even from the outside. But in the end, it's the inner values that matter. And here the intelligent washing programmes ensure that your laundry is washed extremely gently, quickly and to a perfect level of cleanliness – even at low temperatures. Schulthess machines also stand for minimal water consumption and first-class energy efficiency – and thus for genuine, sustainable cleanliness. Beautiful, isn't it?

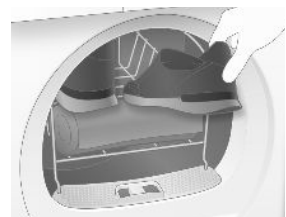

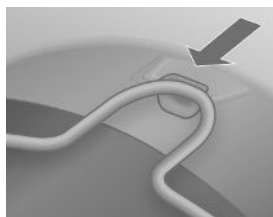

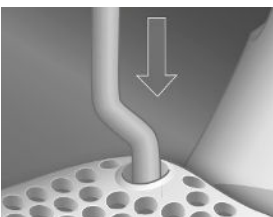

How to care for your trainers properly.

- Use a shoe bag or even just an old pillowcase for washing.
- Clean the soles.
- Remove laces and insoles. Put the laces in a laundry net and put it in the drum. Do not wash insoles.
- There must be no loose parts such as rivets, reflectors or inserts and no cracks. In this case, refrain from washing.
- Important: Do not use fabric softener!
- Select the Schulthess "Sportswear" programme.

- The drum must be empty.
- Insert the feet of the basket into the brackets.
- Lean the bracket against the top.
- Place a rolled-up towel in the basket in such a way that a sloping support surface is created. Place the shoes with the heel on the cloth.
- Select the Schulthess "Drying in the basket" programme.

For long-lasting enjoyment of your trainers.

- Gentle care for your sneakers.
- The Schulthess “Sportswear” programme washes trainers with just a few revolutions.
- The Schulthess “Drying in the basket” programme dries sneakers gently.
- Innovative technology for sustainable fabric care.
- Perfect washing results in no time at all.

Professional advice for sustainable decisions.
