

babyCare

So that your baby feels comfortable

babyCare from Schulthess.

Gentle care for children's clothing

Children build sandcastles, jump in puddles, eat pap and explore their environment with their entire body. Babies' and children's clothing can take a lot of punishment. Schulthess babyCare makes sure that bodysuits, rompers, dungarees and even cloth nappies are clean again. With this special wash programme, babies' and children's clothes are not only washed hygienically at 40°C or 70°C, but also rinsed particularly thoroughly. Because delicate baby skin is sensitive.

Hygienically clean game pieces

Who can build the highest tower? Children love to play with game pieces. These plastic pieces are put in the mouth, taken into the garden – or they lie around on the floor. With Schulthess babyCare, game pieces can be washed and become hygienically clean again. And so are ready again in no time at all to build the next Leaning Tower of Pisa.

True beauty comes from within.

Clear language of form, purist design and innovative technology:

The unmistakable purist design of Schulthess machines is convincing even from the outside. But in the end, it's the inner values that matter. And here the intelligent washing programmes ensure that your laundry is washed extremely gently, quickly and to a perfect level of cleanliness – even at low temperatures. Schulthess machines also stand for minimal water consumption and first-class energy efficiency – and thus for genuine, sustainable cleanliness.

By the way, did you know that our appliances wash and dry in a whisper? The Supersilent function ensures that your baby can sleep undisturbed while the machine is running. Relaxed, right?

Schulthess babyCare: developed with the little ones in mind.

Baby linen 70°C

- For heavily soiled baby clothes such as bodysuits, bibs and cloth nappies.
- Pre-rinsing guarantees absolute cleanliness.
- For white and colourfast cotton garments.

Baby linen 40°C

- For lightly soiled babies' and children's clothes such as bodysuits, rompers, pyjamas, T-shirts and trousers.
- For easy-care cotton laundry and non-iron mixed fabrics.

Game pieces 40°C

- For plastic game pieces without electrical components.

Tailored to the needs of the little ones.

Sparkling clean laundry for delicate baby skin

- Remove stubborn stains before washing.
- Thorough rinsing of fabrics for sensitive children's skin.
- Supersilent function for extremely quiet operation.
- Gentle washing with low water and electricity consumption.

Hygienically clean game pieces for little artists

- For all plastic game pieces without electrical parts.
- Dismantle the game pieces that have been put together.
- Use liquid detergent for coloureds.
- Wash the game pieces in a washing net, then tumble dry or air dry.

Professional advice for sustainable decisions.

When it comes to ecological and efficient washing solutions, no one does it better than us. That's what makes our advice so professional. We show you which appliance is perfect for you and your needs. Just give us a call or send us an email.
