Schulthess Signature Scent

 SCHULTHESS

Elegant, unobtrusive and pure, this refined detergent enchants the nose. A composition of **natural ingredients** and a **scent** that stands out from the usual detergents. Created with special care – pleasing both nature and the environment.

Like **fresh laundry in the sunlight**.

Flow.

In Flow with your values:

Flow washes clean and fresh, **without palm oil**, and thanks to a **highly concentrated formulation**, a minimum dosage of only 25 ml is enough for a full load. The refined packaging is **made of 100% recycled PET**. Flow is **manufactured in Switzerland**. **With scent molecules** that are degradable in nature. **No microplastics**.

In Flow with your favourite clothing:

splendidColor makes the colours of the laundry shine again,
delicateFabric gently cares for them.
