«Freshness that inspires –

**speedUp**

from Flow»

**Muringa Kambundji, the fastest Swiss woman in the world**

 **SCHULTHESS**

speedUp – the record-breakingly powerful and light detergent for sportspeople. Created and tested by **Mujinga Kambundji**, based on the successful **Flow formula**. **Naturally fresh fragrance** with notes of grapefruit, sea breeze, green lawn, mint, geranium and citrus peel. Fast and highly effective against unpleasant odours.

**Always fresh at the start** – with Flow.

### **In Flow with your values:**

**Without palm oil:** Flow speedUp washes clean and fresh only with rapeseed oil. Thanks to its **highly concentrated formulation**, a minimum dosage of only 25 ml is sufficient for a full load. The refined packaging is made of **100% recycled PET**. Flow is manufactured **in Switzerland**. **With scent molecules** that are degradable in nature. **No microplastics**.

### **In Flow with performance:**

World class like the **Swiss sprinter Mujinga Kambundji**: Sportswear retains the **fresh scent** for a particularly long time due to the Flow formula.

**No 1 in  
scent test**
