Explanations:

- Available or yes • Not available or no
- 3) Door hinge: l = left, r = right, w = can be changed
Example: l/w means that the machine is delivered with the door hinge to the left, but the direction of opening can be changed.
- 4) The stated dimensions are minimum dimensions for the niche where the machine is built in. Further dimensions can be found in the dimension sheets.
- 5) Set the degree of drying according to the laundry items, as shown in the operating instructions.
- 6) Degree of drying is maintained automatically.
- 7) Information on switchover options can be found in the installation instructions, where required.
